SIR,

Subject: Re: disposal of work of metalling the roads
within the premises of Regulated Market,
Mysore.

I write to state that an estimate for Rs.2600/- for the above work was sanctioned by the Chairman during February 1954 under "Deposits contribution" ~~and~~ at the request of the Deputy Commissioner and Chairman, ^{of the Mysore Agricultural} Regulated Market Committee, Mysore. The contribution required for the work, viz., Rs.2600/- also was credited to the funds of the City Improvement Trust Board, Mysore, by the Regulated Market Committee during January 1954.

As the Committee desired that the work in question should be put on hand immediately, and completed before the commencement of monsoon and as the materials required for the work were readily available in the same locality with Sri Rosigadu, contractor, the work in question was entrusted to him at the estimated rates in the interest of speedy completion of the work.

Government have also been pleased to approve in their order No. L.228-9/I.T.B.8-54-2 dated 10-4-1954 of the proposal of this office to get the works of the layout of shop sites in front of New Santhepet Mysore, done on piece work basis at estimated rates which are less than the current schedule rates. As the work referred to above is in the same locality, I request you kindly to convey approval of Government to the arrangement made by this office for prompt execution in view of pressing requests ^{from} ~~to~~ the Regulated Market Committee to complete the work before ^{the monsoon} commenced.

Yours faithfully,

S. Linganna
Chairman.
